About Granular Vocal Dreams by Marco Giardina

This expansion pack offers 158 presets for Steinberg's Padshop and Padshop Pro VST granular synthesizers. With 120 manipulated stereo samples, this sound set provides a sound palette with vintage and new colors conceived to give to the composers a wide range of action.

Designed by Italian composer, sound designer and producer Marco Giardina, this sound set provides a pad scoring solution by using the Padshop audio engine.

[Updates as at December 28, 2016](#)

The number of presets in this expansion pack used to be 125 and is increased to 158, in which 33 of them are newly added as second versions to the original ones. The number of samples is therefore increased from 115 to 120.
